## Speak Up!

**S**elf Advocates in Leadership (SAIL) offers the information and assistance you need to speak up and be heard in state government.

Learn how you can let legislators and state agencies know what you think about issues such as housing, transportation, jobs, quality services and health care.

## Let's Talk About SAIL!

- There's strength in numbers.
- SAIL cares about what's coming up in the state legislature and educating legislators about things that are important to us.
- SAIL is reaching beyond the state to the country and world.
- We would love to welcome **YOU** to our meetings!

## Our Voices Make The Difference!

**L**egislators and other elected officials make decisions on issues that affect all of our lives — from buses and houses to jobs and care providers.

When they make new laws and spend tax dollars, they want to hear from the people they represent — **YOU**.

SAIL is a way to get together with other people who know the importance of letting legislators and other state officials know what's important to **YOU**.

Come and get involved! We would be glad to welcome you to our meetings!

If you have any additional questions please call 1.888.754.8798, ext. 3 or email at [sail@arcwa.org](mailto:sail@arcwa.org) or go to <http://www.sailcoalition.org/>
