Close the RHCs Committee Update/ Shut Them Down Coalition Update: Senator Braun has encouraged to reach out to other senators as well to collaborate with. It was suggested that People First, SAIL, Shut Them Down Coalition are all working on the same goal, so working together might be a good idea. The Rally will be from 1-2pm, set up will begin at 12, on January 25th on the steps of the Capitol in Olympia, WA. For any questions about the Rally, contact Jessica.

Rapid Response Team Update: Jessica is putting a team together for the Rapid Response Team. Meetings will resume in January. If anyone wants to join the RRT, email Jessica.

Special Olympics Committee Update: There are currently no updates at this time.

NorthStar Update: Meetings on a monthly basis. Right now they are doing monthly

reports, the next one will be after the New year.

Community Summit Update: At the last meeting, we decided Allies will take the lead on creating a proposal. Proposal will need to be in by the end of January. They are only taking a limited number, so it is best to get it in early.

Allies in Advocacy Report: Allies met for the final time this year. They discussed and finalized the 2023 meeting dates, as well as a snow policy, and working on a proposal for the Community Summit. Emily Rogers came to speak to our board about what will be happening with NorthStar in the future. The board voted the Allies could return to Norstar first by observing the changes, then go from there. the group said farewell to Sherry Brown at the University of Washington who has been with Allies in Advocacy since the beginning. She is retiring this November.

Anthony was not at the SAIL meeting today, so there are no NCSA or Governor's Office updates at this time.

Rally Planning Committee Update: The Rally will be on January 25th. Jessica asked for suggestions for the Rally, and asked for a list of people interested in speaking at the Rally. Any speakers can email Jessica.

They have been working really hard to g 17 mins- 20 mins Nothing About Us Without Us will be going away, but it is unsure of when that will be. We will still provide updates until further notice.
