Getting Healthy

Community Updates / Agenda building

The Meeting was called to order by Anthony around 1:15 PM

He Turned it over to our consultant who introduced themselves.

The was focused on the core values of a person, self and organization. We all went into different groups and talked about it and what does it means to each of us. Then we reported to the big group as well. (Slides can be provided upon request)

The top one was Inclusion/Belonging, Justice, and involvement other one or the 4th one did not make it out it only got 4 votes.

Then updates and minutes were done

Kyle read the Minutes from also Kyle Moved and Robert second and passed by all.

Shut Them Down update by Courtney and Kyle ask to if anyone was interested in joining also talked about leadership changes.

Shawn had three things.

- 1.Community Summit update and the workshop that Sail is doing.

2. The Rapid Response Team will meet monthly meeting will be TBD.
3. Working on several bills,
 - A. Wheelchair transport if there is an emergency.
 - B. Implementing The Nothing Without Us Act.
 - C. And other bills

Allies, upcoming public meeting at the Sea-Tac Airport Conference Center. 1-4 PM July 2nd on the agenda is Allies update, self-advocacy Guardianship
Community updates
Mike Gantala was featured in a transportation piece done by King 5 News
Meeting was adjourned around 4:10 PM
