

Self Advocates in Leadership

SAIL Update

September 2023

SAIL members,

Proposal requests for the 2024 Community Summit to present a workshop will be sent out in November . I need SAIL members to be thinking about 2 to 3 proposal ideas to submit. I want SAIL to present their own workshop next year!

Chair and co chair comments

Ken says We had lots of questions and concerns today but it was just great to have the three guests to be at meeting and to hear some of questions good job all

Anthony says Hope everyone has their thinking caps on to create our agendas and is ready to advocate to our legislators about our state and federal 2024 priorities
