# SAIL Update

June 2023

SAIL members,

There will be no SAIL meeting in June due to the Community Summit taking place in Wenatchee June 13 through the 15th. I hope to see most of you there in person! The SAIL meetings will resume as normal in July.

## Chair and co chair comments

Ken says It was great to hear from Brian Dahl about the 501c3. He said it will take some time and it was past due. Thank you Brian. Good meeting today by all, remember to raise your hand everyone.

Anthony says Hey everyone lets keep hydrated and do remember that to keep the hybrid system going we are encouraging west side SAIL members to start coming in person. We also need to please remember Robert's rules of order that we voted on.
