SAIL meeting

Minutes

December 10, 2024

Jessica started the meeting and started introductions and then Mike came in and finished up.

Kyle read the minutes from November's meeting, then Kyle made the motion with Jennifer second it and passed by all.

Then Zachary, Clayton, and Aerie from the Department of commerce the guest speaker's also Aerie took the notes during their presentation.

We took a break and approximately 2:40 PM.

Jessica announced that Anna and Lisa have postponed until January 20 25 and that will begin for the leadership group and then the main group will come later. See the newsletter for more information on timelines.

Shawn 's report he reported that the state is in a deficit of \$10-\$12 billion and other policy or items that we are going after one of me is the medical emergency bill that is

going to be a task force, and we are working with Jamila Taylor.

We talk about the budget and he also we did a recording on. Why do we do not want our waivers and other services cut so the main thing is don't cut our services.

The other issue is on the medical transportation for people in wheelchairs or other medical equipment. That is also been worked through home Camila Taylor and also about the department of commerce

The following advocacy days are either you can show up in person but otherwise it's gonna be all virtual. The first one is on January 15, 202 5:10 AM in person at the United churches Olympia and then the other rally days are February 5 and that's the CSRA one at 12 PM February 19 with this community employment agency at 1 o'clock in the afternoon and then the one that sale is putting on is March 5, at 1 PM otherwise all advocacy days are on Wednesdays at 10 o'clock.

Updates

Jessica gave the allies and advocacy on what they've been up to.

PFLOW was reported by Courtney, and then Kyle followed up with the shut them down report.

Community summit update was that they have canceled the in-person portion, but they are still going to try to have it virtually at this point. I'm more details you must come.

Rep Farivar is planning together a bill about the background checks for providers.

Getting Healthy with Sandy, the topic was all about sugars and moderations and how to handle it and I got ideas

After that Mike adjourned the meeting around 4:05 PM.

The notes were taken by Kyle Matheson on behalf of Tracy Turner in her absence
